Rules - Terms and Conditions

Applicable to new registrations or renewals on/or after 1st March 2009.

Please read and retain for future reference. Subsequent rules changes will be communicated to you at your renewal date.

Consumer Rights Statement

What rights do I have in relation to renewing my policy?

As a private health insurance customer, you have many rights. You have the right to start and renew cover regardless of your age, gender or health. All health insurers that are accepting business, are obliged to accept all applicants regardless of risk. Once you have health insurance, an insurer cannot stop cover or refuse to renew your insurance, except in limited circumstances.

Can I change my health insurance plan or insurer at any time?

You have the right to change your health insurance plan, or insurer, without penalty. The insurer may not impose additional waiting periods unless you are upgrading your cover. Even when you are upgrading your cover, an insurer may only impose an extra waiting period in respect to additional cover in the new policy. However, if you allow your health insurance to lapse for 13 weeks or more, you may have to start your waiting periods all over again.

What happens if I switch from my current insurer and wish to return to them at a later date?

If you switch insurer and later decide you want to switch back, you may do so without penalty as long as you switch to an equivalent level of cover. However, the insurer may impose waiting periods for any extra benefits available on your new plan.

Will my age affect my insurance premium?

Health insurers may not charge you a higher net premium because of your age or claims experience. This has the same effect that all insurers must charge all consumers, with certain exceptions, the same premium for a given level of cover regardless of their age, gender or health. A discounted premium is available for full time students up to 21. A discounted premium may also be available if you are in a group scheme.

Further information on your consumer rights is available on the internet at www.hia.ie or by ringing the Health Insurance Authority at 01 406 0080.

- a) The terms of your contract with us are in the following documents:
 - (i) These Rules and Table of Benefits; (ii) The Directory of Hospitals (and Treatment Centres); (iii) The Directory of Approved MRI Centres; (iv) The Directory of Convalescent Homes; (v) The Schedule of Benefits for Private Hospital Services; (vi) The Directory of Consultants; (vii) The Schedule of Benefits for Professional Fees; (viii) The Schedule of Benefits for General Practitioners, and any amendment or variation made from time to time as per rule 2(g).
- b) In the Directory of Consultants, we list the consultants who are participating consultants.
- c) In the Schedule of Benefits for Private Hospital Services, we set out the benefits we will pay for private hospital services and the rules we will apply to the payment of these benefits.
- d) In the Schedule of Benefits for Professional Fees, we set out the benefits we will pay to the consultants and general practitioners for each kind of treatment and the rules we will apply to the payment of these benefits.
- e) In the Schedule of Benefits for General Practitioners, we set out the benefits we will pay to general practitioners for procedures and the rules we will apply to the payment of these benefits.
- f) In the Directory of Convalescent Homes, we list the convalescent homes which are eligible for benefit. The most up-to-date Directory of Convalescent Homes is available on our website - www.vhi.ie. Copies are available on request.
- g) We may change these directories and schedules during the year. The most up-to-date Directory of Hospitals is available on our website - www.vhi.ie. We will tell you about changes to the Directory of Hospitals (and Treatment Centres) at least four weeks beforehand by publishing a notice in the major national daily newspapers. If you want to cancel your contract because of any such change, you can do this by writing to us within four weeks of the date we publish notice of the change.
- h) We will pay any benefits we are required to pay under the Health Insurance Acts and any regulations thereunder, even if any part of your contract indicates otherwise.

3) Joining Vhi Healthcare

a) Additional people may be included on your contract at any time. If you apply to include your child on your contract within 13 weeks of his/her birth, we will insure him/her from the date of birth and we will not apply rules 3(c) and 3(d). Subscribers/policy holders who enrol their new born children within 13 weeks of the child's date of birth will not be charged any additional subscription for that child until the first or next renewal date after his/her birth.

b) You can only make other changes to your contract at renewal date.

c) If a member has an accident after he/she is included, we will pay benefits for the treatment needed. However, for other treatment, we will pay benefits if it is carried out after the member has been insured continuously for a minimum period of time, called a waiting period. The waiting period is as follows:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	WAITING PERIOD
Under 55	26 weeks
55 to 64	52 weeks
65 or over	104 weeks
Maternity or pregnancy - related conditions	52 weeks

d) No benefits are payable for medical conditions the date of onset of which is determined on the basis of medical advice to have been prior to the date the member was included on the contract, unless the member has been insured continuously for a minimum period of time. The minimum period is as follows:

MEMBER'S AGE WHEN HE/SHE IS INCLUDED	MINIMUM PERIOD
Under 55	5 years
55 - 59	7 years
60 or over	10 years

When determining whether a medical condition pre-exists membership it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.

e) If there is a break of more than 13 weeks in a person's health insurance contract with us or another insurer registered under the Health Insurance Acts, the application will be treated as a new application for membership.

f) If a person transfers from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 to 2003, benefits will only be payable up to the level of cover offered by that contract. Additional benefits will be subject to rule 4(b).

g) If a member has transferred from a health insurance contract with another insurer registered in Ireland under the Health Insurance Acts, 1994 to 2003, the time he/she was insured under the other contract will be offset against the normal joining conditions (waiting period, pre-existing illness and maternity).

h) The Scheme is intended for people resident in Ireland and only people resident in Ireland are eligible to join the Scheme. Please refer to Rule 7(b).

i) You can cancel your health insurance contract within 14 days of the date of issue of the Terms and Conditions of Membership. We will refund the premium you have paid and will recover from you any benefit we have paid.

4) Renewing the contract

a) Your contract will last for one year unless we agree to a shorter period. At the renewal date, you can renew your contract by paying the premium we request. The Rules and the Table of Benefits in place at the renewal date will then apply to your contract.

b) You can change your level of cover at your renewal date. If you change your cover (i.e. subscribe for additional benefits) and you or any of the members included on the contract receive treatment during the following two years* for a medical condition which, in the opinion of our Medical Director, you already had on the renewal date on which you changed your plan, we will only pay the benefits which we would have paid if you had not changed your plan.

* Five years for those aged 65 years or over, or 52 weeks for maternity or pregnancy related conditions.

When determining whether a medical condition pre-exists an upgrade in cover it is important to note that it is the date of onset of the condition that is considered rather than the date upon which the member becomes aware of the condition, as medical conditions may be present for some time before giving rise to symptoms or being diagnosed.

c) If you change your plan or level of cover, additional benefits will be subject to rule 4(b). If you change your plan or level of cover and wish to revert to your previous plan or level of cover, you may do so within 14 days of the date of issue of the amendment notification and we will pay the benefits which we would have paid if you had not changed your plan.

5) Subscriptions

- a) You must pay your subscription within 15 days after it becomes due. Otherwise, we will not pay any benefits and will cancel your contract. The subscriber/policy holder is responsible for ensuring payments are made.
- b) For members who pay by salary deduction, the translation of annual premia into monthly or weekly installments may result in the collection of marginally more or less than the annual premium as a result of rounding to the nearest cent.
- c) Subscribers/policy holders to Plans A to E and Plans A to C Option with dependants who are students (as defined) may apply for a discount on their annual subscription. The student subscription rate will apply from the date of application for new members, and from the next renewal date (following application for the student rate), for existing members. - f) If the benefits do not cover the full cost of the treatment, the member is responsible for any balance.

 - You sign the claim form a) to confirm that the details on the form are correct and b) to authorise the doctors/hospitals to supply the information requested, including copies of your medical records, if requested.
- b) If we have a direct payment arrangement with a non-participating hospital, the hospital will send the claim form and invoices direct to us. Hospital invoices must be in a format specified by us. If they are not, we may be unable to calculate your exact benefit for hospital charges in which case we will calculate the benefit due to the hospital as best we can from the information supplied, and we will pay this amount direct to the hospital and doctors. We will send you details of the benefits we have paid. The Directory of Hospitals shows the hospitals with which we have a direct payment arrangement.
- c) If we do not have a direct payment arrangement with the hospital, you must send us a claim form completed and signed by the member and the member's doctor, together with the relevant invoices.

- e) Out-patient cover
We will pay benefits for eligible expenses listed in Section 6 of the Table of Benefits as a lump sum at the end of each year. We will only pay the benefits when you send us a claim form which you have completed and signed, together with receipts. You must do this within three months of the end of the year.

The decision of the Financial Services Ombudsman is binding on all the parties, but where one party is dissatisfied with the decision it may be appealed to the High Court.
- b) If you do not wish to avail of the procedure outlined in rule 10(a) you may refer your dispute directly to the Courts.

12) Third Party Claims

a) As outlined in Rule 8(s) expenses which are recoverable from a third party, are excluded from benefit, however:

b) Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment required as a result of an injury caused through the fault of another person and where you propose to pursue a legal claim against that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

- (i) complete in full and sign the injury section of the claim form which includes an undertaking to include all benefit paid by Vhi Healthcare in any claim against the third party responsible for causing the injury and
- (ii) submit a fully completed undertaking, which will be relied on by Vhi Healthcare once a copy of the Authorisation Form is received from the Personal Injuries Assessment Board, refer to rule 12(d) from your solicitor in the form prescribed by Vhi Healthcare:-
"In consideration of Vhi discharging the eligible hospital and medical expenses of my/our client, I /we hereby undertake to include as part of my/our client's claim the monies so paid by Vhi (details of which will be supplied to us by Vhi) and subject to any court order to the contrary, to repay to Vhi – out of the proceeds that come into our hands – all such monies paid by Vhi"
- (iii) notify Vhi Healthcare in writing if it is proposed that the case will be settled and
- (iv) provide Vhi Healthcare with full written details of any settlement.

c) No Legal Action/Proceedings

Where a claim is submitted to Vhi Healthcare in respect of treatment you require as a result of an injury caused through the fault of another person, and you do not propose to pursue a claim against the third party and, in the view of our legal advisers, expenses are recoverable from that party, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years):

- (i) complete in full and sign the injury section of the claim form which includes an undertaking to include all benefit paid by Vhi Healthcare in any claim which may subsequently be made against the third party responsible for causing the injury and
- (ii) immediately notify Vhi Healthcare in writing of the instigation of any such claim and to repay the benefit paid by Vhi Healthcare in full, subject to any court order to the contrary.

d) Personal Injuries Assessment Board

Where you make your application to the Personal Injuries Assessment Board ("PIAB"), Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form. This undertaking provided by you also authorises Vhi Healthcare to provide the PIAB with details of all monies paid by Vhi Healthcare relating to your application, and for the PIAB to release to Vhi Healthcare details of the PIAB assessment in relation to the monies paid by Vhi Healthcare. Where the PIAB decides that the case is more appropriately dealt with by the court, due to some legal dispute and issues a letter of Authorisation, Vhi Healthcare will rely on the undertaking that has been provided by your solicitor, in accordance with 12b(ii) above, and a copy of the Authorisation from PIAB to proceed to the courts.

e) Criminal Injuries Compensation Tribunal Claims

If you are pursuing a claim through the Criminal Injuries Compensation Tribunal, Vhi Healthcare will pay benefit in accordance with these rules provided that you (or the subscriber/policy holder if you are under 18 years) complete in full and sign the injury section of the claim form and provide Vhi Healthcare with a copy of the written confirmation from the Criminal Injuries Compensation Tribunal. The undertaking provided by you also authorises Vhi Healthcare to seek details of any settlement directly from the Criminal Injuries Compensation Tribunal and for the Criminal Injuries Compensation Tribunal to release this information to us. In circumstances where such a case is unsuccessful, Vhi Healthcare will not seek a refund of the benefit paid.

f) Threshold Amount

Undertakings and refunds will not be sought if the total eligible benefit payable in respect of an accident does not exceed the threshold amount of €1,000. However if subsequent claims are submitted in respect of the same incident, which would increase the total benefit payable to €1,000 or more, an undertaking must be completed.

g) Unsuccessful/Withdrawn Claims

If a claim against a third party is not successful or is withdrawn, Vhi Healthcare will not seek a refund of the benefit paid provided that you arrange for full written details of the case to be supplied by your solicitor to the satisfaction of Vhi Healthcare outlining the reasons why the case was unsuccessful or was discontinued.

h) Disclosure

It is the responsibility of a member to disclose to Vhi Healthcare full details of any action to be pursued against a third party in relation to any incident/accident in respect of which Vhi Healthcare has paid benefit. Failure to do so will result in the refusal of any subsequent claims relating to the accident/incident.

Cardiac function, morphology, and structure

After it has been determined that echocardiogram is inconclusive

Sudden cardiac death screening

Screening of first degree relatives (mother, father, brother, sister or child) of an individual who has experienced sudden cardiac death under 30 years of age following initial screening by ECG, echocardiogram and holter monitoring that has identified unusual results

Diseases of the large veins

Acquired and congenital abnormalities of the superior vena cavae, inferior vena cavae, and portal venous system (e.g. vena caval thrombus, differentiation of tumour thrombus and blood clot of the vena cava, superior vena caval syndrome, superior vena caval invasion or encasement by lung or mediastinal tumours, diagnosis of Budd-Chiari syndrome, and diagnosis of caval anomalies)

Valvular heart disease

After it has been determined that ECG and doppler studies are inconclusive

To demonstrate complications of infarction

Formation of an aneurysm, mural thrombus formation, to demonstrate regional wall motion or wall thickening abnormalities of a damaged left ventricle
